 RE: Sponsorship of Manteuca Rangers United FC or Player
 Attn:

The Manteuca Rangers United FC Soccer Club is a non-profit organization serving boys and girls ages U10-U19 in the Manteuca California area. In affiliation with (MASL) Manteuca Area Soccer League our youth teams participate at various levels of competition in CYSA (California Youth Soccer Association). We are a competitive soccer club meaning we travel throughout the state to compete in soccer tournaments. Being a member of a competitive soccer club can be quite costly. All members are responsible for paying their own costs. Team fees include uniforms, tournaments, equipment & travel expenses.

Team expenses run approximately \$8,000.00 per year (over \$500.00 per player). We therefore turn to our communities to assist our team with these costs. We are dedicated to providing as much assistance as possible through fundraisers to help off set the cost however any assistance we may get is greatly appreciated. Our program is currently raising money to help fund our 2010/2011 season. Please support our young athletes and community by considering sponsorship of an individual player(s) or the team.

Note: Non-profit tax ID information available upon request.
